## Successful Chantanooga

Strathmore Chautauqua opened Friday afternoon and for the past four days large audiences have been attracted to the Memorial Hall.

Friday's programme opened with a concert by the Florenz Company of instrumentalists, and formed a first class musical treat.

prelude was given by the Floren-  
Company, followed by a lively and  
humorous lecture by Sam Grathwell  
entitled "Getting By Your Hoodoo."

entertainment was given by the Swiss Alpine Yodlers, an aggregation of three ladies and two men. Their selections were of a novel nature and well received.

Monday's afternoon programme was

Company, with Claude Schell, a sweet-voiced tenor. This afternoon was a very enjoyable one. In the evening

lude, the rest of the evening being taken up by a informative lecture by Frederic Poole on conditions in the

Tuesday's programme consisted of selections by the Cheney Concert

by A. D. Carpenter on "The Energies of the Universe." This, the closing day, was very much enjoyed by the

Mrs. Evans, superintendent of the Chautauqua, came to Strathmore under somewhat discouraging circum-

exhausted their energies and their spare time on the stampede of the previous week, and it was hard to get

dered yeoman service, and as a result 1923 Chautauqua has proved very successful.

## Stampede at Redlands

## Stampede at Redlands

The latest place to put on a stampede is the little town of Redlands, east of Rockyford, which is staging

Redlands is right on the edge of the ranching country, and they are sure

pecially as Jack Morton's outfit is largely responsible for the staging of this stampede, and Orrie Burggren is the manager. In addition to the bucking, there will be a half mile race for both adults and a half mile race for

## King Edward Hotel & Grill

CALGARY, Aug. 24.—At a conference between prominent Liberals of Southern Alberta and Hon. Charles Stewart, former premier of Alberta, now federal minister of the Interior, plans were laid for organizing the province. J. R. Boyle, opposition leader in the legislature, was named chairman of a committee to organize the Southern Alberta Liberal Association.

lation and the other members are C. H. Mitchell, vice-chairman; C. S. Pringle, secretary, and R. C. Marshall, A. J. McLean, R. B. Eaton, Martin Wood, and James McNaughton.  
On Tuesday, Mr. Boyle left it to be known that he has no desire to relinquish the opposition leadership for a place on the bench, as has been rumored from time to time for several months past.

### AARON SAPIRO COMING TO ALBERTA

Aaron Sapiro, the apostle of price fixing, is coming to Calgary on Thursday, under the auspices of the Calgary Herald and Edmonton Journal and will address the farmers on the important subject of the cooperative marketing of wheat. The conference will be held in the Grosvenor Hall, Calgary, commencing at 9:30 a.m.

After leaving Calgary, Sapiro will address meetings in Edmonton, Lacombe, and Camrose, and will then proceed to Saskatchewan, where he will speak under the auspices of the Farmers Union.  
Sapiro's reputation has been gained by his assistance in the organization of fruit growers in California and tobacco growers in the Southern States. Great advantages have occurred to the farmers of these sections by cooperative marketing. The marketing of wheat is a larger problem, for what demands an export market, and the crop is subject to world competition.

Somewhat later, however, some system of cooperative marketing will take the place of the present method. This year Canadian farmers have probably what will prove to be the largest crop ever taken out of the west. While the yield per acre may not be as large as in 1915, yet the area under crop is much larger than in that year. It is, however, the effect of the big crop is merely to depress prices. It would be better to only allow half of it on the market at the present time, and store the rest.

We are convinced, however, that there is a market for all the wheat that is raised. The problem is to get it on the market at a price that will yield the farmer something over production costs. This is what Sapiro's advice is being asked for. Cooperative marketing of wheat will ultimately demand an agreement of all producing countries, but a partial agreement is better than none, and until the Canadian farmers themselves agree there is no use in asking the rest of the world.  
Other industries adopt similar methods to stabilize prices. For instance, the oil refineries in the States are ceasing production for the month of August, in order to avoid the oil being swamped. Incidentally, this will keep the price of oil up. What is sauce for the Standard Oil is sauce for the farmer. If he can only be persuaded to see it clearly.

### DECLARATION OF POLICY OF THE MODERATION LEAGUE OF ALBERTA

The Moderation League of Alberta is a permanent organization for the purpose of initiating and supporting legislation that will promote temperance and better the social and economic conditions in the Province of Alberta.

It proposes to support and carry on a movement for the repeal of the present Liquor Act, and substitute therefore a sane, reasonable and practical law.

The League recognizes as fully as any prohibitionist the suffering caused by intemperance and the abuse of strong liquors, and seeks to ease in its anxiety to remove this blot on our civilization.

It is in regard to measures to be adopted to end this evil that it differs from the prohibitionists.

It believes that victories are won by perseverance, strategy rather than by violently running amok, and by a policy that prohibits legislation of any kind can never of itself secure the desired end, and can only result in minimizing respect for law and order, unless the people are behind the legislation, and by the people it means not merely a majority of the people, but practically an unanimous people.

This prohibition begets crime and evokes respect for all law, we have daily evidence, and to many of us who lived under prohibition in earlier days, this is no new experience.  
The Moderation League stands firmly and decisively against the bar. It includes amongst its leaders men who in the early days of this Province, acted for the abolition of the bar, or in default of that, regulations that would kill the drinking habit, which as they believe would kill the bar.

The League proposes to conduct a clean honest campaign. It is willing to concede that it is possible that even such it may differ from them, but are actuated by the purest motives and a sincere and earnest desire to bring about that condition of things that they consider most beneficial to the people. It only asks that the same treatment be accorded to it, it will be thought unnecessary for this announcement to be made, but there are always in every large body of men some rash and hasty speaking individuals who are prone to abuse persons who do not see eye to eye with them, and to impute to them improper motives, and instances of such recklessness in talking direct against the members of this body have already from time to time appeared in the public press.

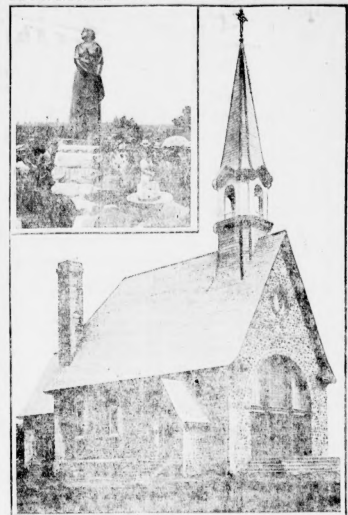

**U.F.W. AND U.F.A. SOCIAL GATHERING**

Social gatherings are more or less common these days, but a lawn party organized by the Strathmore U.F.W. which was held at the home of Mrs. H. W. Watson on Wednesday evening July 25th, marks a new departure in the evolution of that institution's activities.

The U.F.W. gave a special invitation to all members of the U.F.A., and also their friends. The lawn was especially decorated for the occasion. Chinese lanterns were fastened to the trees around the lawn which produced an excellent lighting effect.

The early part of the evening was spent in playing games. After a most delicious lunch was served by the ladies, a series of stump speeches were delivered as a test of oratory prowess. Despite the fact that the members had no idea what subject they would be called upon to discuss, a great number of them gave very good accounts of themselves. Mr. Boland, in particular, dealt with his subject, how to make love, in a concise, fluent and appealing manner, holding the attention of his audience right through. He was also commended by scores rendered by Mesdames William R. Don and Henry Wirtz, also one by Mr. Watson.

## Acadians to Visit Grand Pre

Grand Pre Memorial Chapel and, next, the statue of Evangeline.

THE "Land of Evangeline" will become the scene of another celebration on August 29th. At a meeting of the Grand Pre Memorial Committee recently held at Moncton, arrangements were made for an excursion to Grand Pre on this day. Special trains will carry people from all points in New Brunswick to the little town from whence the long suffering Acadians were deported by the English in 1755, and it is anticipated that people will join the excursionists from all parts of the Dominion and the United States.

One of the features of the day's programme will be the unveiling, in the Memorial Chapel, of a statue of the Madonna, which will be erected in recognition of the noble work accomplished by the Acadia National Society L'Assommoir, the Madonna being the patron saint of this society. The statue, which is 7 1/2 feet high, rests on a six foot base, has great beauty of design, and is claimed to be the finest of the kind on the American continent.

As conditions are not as bright as they might be financially in Acadia the interior of the Memorial Chapel will not be completed this year but a committee has been formed to collect Acadian relics and souvenirs, and to obtain, if possible, further works of art that the interior of this institution be in keeping with the statue. While the exterior of the chapel is plain it is the intention of the Committee to have the interior as elaborate as possible. It will not be used for church purposes but as a museum and vault and fitted marble with mosaic flooring will be used with artistic effect. Many will visit Grand Pre, not so much for their interest in Acadia, as because it is the setting of Longfellow's story of the deportation. Evangeline is honored in immortal stone and large numbers have portrayed, particularly from America, to lay their tributes on the statue which is a monument not only to the heroic Acadian maid, but to the great poet whose writings she once inspired.

## In Putting Away Winter Woolens Save By Washing This Way

Put away your winter woolens, this spring, clean and soft—without harmful colors or fabrics in washing. It will save a lot of money, you'll find, by giving longer wear.

In thousands of homes this is being done. Careful housekeepers now use PALMOLIVE PRINCESS SOAP FLAKES for laundering all valuable fabrics.

Woolens, silks, satins, crepes, and expensive cottons; all come from washing with beauty renewed—and fabric uninjured.

Purest, undiluted soap, these white, crinkly flakes save money two ways: By giving longer fabric wear; and by cutting down soap cost—because they last longer. They give richest, stiffest suds—in washing machine, tub, or bowl. It dissolves all dirt speedily but gently. Splendid for all household use.

Order one or more handy one-pound packages or bags today. Start saving next time you wash.

CALGARY, ALBERTA

The House of Comfort, Courtesy, Cleanliness.  
Fred R. Phillips, Mgr. Chas. Traunweiser, Prop.

CALGARY, Alta., July 24.—Condition, at the signing of a new power contract with the city of Calgary, the Calgary Power Company has agreed to construct a new \$500,000 power transmission line from its Kananaskis and Bow River plants to Calgary.

Much of the expenditure will be for labor and a great deal of tonnage will be required, which work will be given to farmers and ranchers along the line. Chief Engineer Calvert, of the company said in an interview today in Calgary.

EDMONTON, Alta., July 24.—Rev. E. S. Bishop, in charge of the enforcement of the Alberta Liquor Act, and R. B. Douglas, chief vendor of the province, have become convinced that bootleggers are very active in central and southern Alberta. The chief vendor gave out figures yesterday showing that the sales at the Edmonton liquor store were \$22,640 as against only \$1,425 in Calgary for the month of June.

In other words, Edmonton residents bought five times as much liquor as Calgary. But the government officials say they think just as much that city from bootleggers who bring it in from British Columbia, than from the government store where it has to be bought on a physician's prescription.

## Baseball News

Strathmore had to default Friday's League game to Cardston on Friday, owing to so many of Strathmore team being away from home at present.

Strathmore meets Nightingale at Nightingale Sports today.

Langdon Loss  
Strathmore played Langdon at Strathmore on Wednesday, the game resulting in a 13-1 score for Strathmore in a seven innings game. For the first four innings the game was a real good one, pitchers both hurling a good ball and getting air tight support, and the score was 1-0, but the debate started in the fifth when Kimmitt slammed out a three bagger, and after that everyone of the Strathmore boys who came up hit, with the result that seven were scored in that inning and six in the sixth. Then the curtain was mercifully drawn by darkness.

Score by innings:  
Strathmore 0 0 0 6 7 8-13  
Langdon 0 0 1 0 0 0-1

Langdon—McIntyre, c.f.; Myers, r. f.; R. Miller, 1st b.; Kruse, 2nd b.; McCallister, c.; McLaughlin, p.; Cope-land, 2nd b.; Webb, 1.f.; Miller, s.s.  
Umpire—Bert Horton.

## LANGDON FAIR ON FRIDAY

Langdon's Annual Fair will be held on Friday of this week. This has always been a good fair, and with the growth of every kind of grass, grain, and vegetable, the exhibits in that line will be better than they ever have been. A fine sports programme has been arranged, comprising athletic events, horse and pony races, bucking contests, etc., and also a ball game.

Langdon is the only fair district that are holding a fair this year, the Gleichen Fair having been abandoned, and we hope that the Langdon folk will have a big attendance. They always put on a good fair, and they show pluck in staying with it despite a decreased government grant. \$2500 is being offered in prize money.

## CALEDONIAN GAMES

Football players from Drumheller, Coleman, Balmore, Shepard, Strathmore, Brule, High River, Macleod, and other points in the province will be given an opportunity to demonstrate their wares before thousands of Caledonians, during the five-day football tournament, one of the feature events of the Scottish Games and Athletic meet, which will be held at Victoria Park, Calgary, on Saturday, August 18. The meet is being held under the auspices of the Caledonian Games Society, and already scores of enquiries have been received from country points concerning the big day.

In addition to the lengthy programme of athletic events, the highland dancing championship and the individual bangle play championship of Western Canada will be again decided for another year. Entries for these events are expected from as far west as Vernon, B.C., south to Lethbridge, in Alberta, and east to Medicine Hat. The present holder of the dancing championship, Miss Jean Gault, of Calgary, will defend her title, and Pipe-Major Hugh McElbeth, of Calgary, will also defend his piping title.

Entries for all events are now being received by J. W. Jenkins, honorary secretary, care of the G.W.V.A., Memorial Hall, Calgary. The first prize class on Monday, August 18.

## What Prohibition Does?

IT VIOLATES the first principles of individual freedom on which the greatest of British institutions has been based.

IT SINKS the drunkard lower still. It thrusts him into the criminal class. It breaks him down, brain and body, with the poison of adulterated liquor sold by mercenary criminals.

IT FILLS the nation with spies and stool pigeons, sowing universal distrust and destroying the honour and the honesty of thousands.

IT MAKES a harvest for the thugs and criminals of the underworld, the purveyors of illicit adulterated liquor at extortionate prices.

IT RUNS counter to the plain reading of the Bible as it was interpreted by all Christians for nearly nineteen hundred years.

IT OPENS wide the door to every form of tyranny and bigotry.

**GEO. SNAITH**  
Phone 25 Strathmore

CALGARY, Alta., July 24.—After a great deal of delay over the proposed voluntary wheat pool, governments, newspapers, and Farmer organizations are now joining in a grand rush to see action. A Calgary and Edmonton newspaper have united to pay the expenses of Aaron Saprio, expert on cooperative marketing, to come to Alberta and address gatherings of farmers on the subject. Attorney General J. E. Brownie and Hon. H. G. Reid, minister of municipal affairs, who are on a tour investigating Pacific Coast marketing organizations, have also made arrangements to meet Mr. Saprio in Edmonton on Monday. Premier Greenfield said the government intended to go on with its investigations and get Mr. Saprio's advice regardless of the action of other organizations. And the Farmer's Union of Saskatchewan has already arranged for Mr. Saprio to address meetings in that province on the subject. Mr. Saprio will probably tour Alberta and Saskatchewan during the first two weeks of August.

## Turner News

Turner held his annual picnic on Wednesday, July 25, although the crowd was small, the sports were up to the Turner standard; many of the events having to be run over again after a tie. As usual interest was centered in the long race, which was won by Scotty McNaught's pony, with Pearl Hueschler on up; second place falling to Frankie Cowell; so it will be seen that the Strathmore race was reversed. The points competition at Langdon on the 3rd again, and it will be interesting to watch the result.

There has been some halt damage in the district, but the crops are still very promising.

Anyone desiring of getting in touch with Arthur Haley at present is requested to phone the swimming pool. Mr. and Mrs. J. E. McKibbin were out from Calgary at the picnic. Mr. and Mrs. Mac, are real sports and can be relied on to put the pep into any exhibition. Long may they live, Turner, and their many friends.

Things we would like to know: Why a certain young bachelor preaches in a homely and old-fashioned "Jesse's Dream," while driving the car.

If the young ladies of the district are aware that Bill Allan contemplates building a new house this fall.

One of our large farmers, W. H. Trege, has, it is said, in the neighborhood of 800 acres of corn this season, and the farmers in the entire southern half of the Province seem to be watching his experiments along the line of growing and cattle feeding. Mr. Trege had out a large acreage of corn last year, but found that it did not produce enough feed for his 250 head of cattle, which, on account of this shortage he was compelled to sell at an early price. This gentleman the past season, wrote articles for a number of farm publications, and they all met wide interest with his experiments. Many will be eager to learn of the degree of success he accomplished on this season. Gleichen "Call."

## THE GRAND TRUNK AFFAIR

(Montreal La Patrie)  
English Canadians cannot do other than rejoice in the fact that neither Canada nor the Canadian government deserves any reproach in the Grand Trunk affair. When the first outbreak of anger has passed away, the common sense will realize that they have only themselves to blame for what has happened. In any event, if they think the present world will induce the Dominion government to pay them what the government does not owe, either in a matter of business or equity, we are prepared to predict that the last Canada will never consent to do so to their tune.

## BURIED ALIVE

We have heard of "happy hunting grounds" for many things—but the storage battery graveyard is the latest.

Mr. Harold Bell, of a local battery service station, when telling us of this said: "If folks could realize the cost of the batteries that are thrown into the graveyard before their time, they would be careful with their own."

Many times batteries are brought to my attention that are only a few months old—yet are so far beyond repair that they must be "buried." And just a little care during their lives would have prevented it.

This generally is caused by negligence or home treatment for some suspected ailment.

If folks want to take care of their own batteries they should first visit the service station of some reliable manufacturer and learn how batteries men are glad to furnish this information.

When they do this there will be no storage battery graveyard."

At a meeting held on Monday evening at Strathmore (second hand school) Mr. L. E. Boucher from a list of fifteen applicants as teacher for Grades 3 and 4, Mr. Boucher was, up till the end of last term, principal of the Chavins three-roomed school. He is a returned soldier, and his recommendations are of the best.

Strathmore Union Church congregation and friends held their annual picnic on the Bow River on Wednesday, under the auspices of the church. An enjoyable time was had by everyone who attended, both juniors and adults.

Mr. and Mrs. Jos. Van Thiem and family returned on Sunday from their vacation in British Columbia.

Mrs. E. Durston, of Cranbrook, B.C. is visiting P. M. Kington and family.

Fred Kennedy, of the sporting staff of the "Morning Herald," writes us as follows:

## Local Hottinges

**OF LOCAL INTEREST**  
• Readers are requested to send in items for this column not later than 12 o'clock Monday noon.  
• preceding day of publication. All local news items are welcomed by the Standard. Phone 17 or 68.

A joint church service was held in the Memorial Hall on Sunday evening, there being a large congregation. An excellent sermon was delivered by Rev. J. Evans, manager of the Chautauque circuit, on "Receptivity vs. Faith."

A number by the Alpine Yodlers, at Chautauque on Saturday, in which an echo is introduced, reminds us of a story. The late Sims Rogers was singing in Edinburgh, Scotland, and had arranged with a local singer to supply the echo from the back of the hall. The piece sang was "Hail Simeon Moore." As Rogers sang the last line, "At whose bright presence darkness flies away," the echo answered "Flee away! Flee away!" And it is to be hoped the audience noticed nothing incongruous.

Every other day, on the past two or four weeks there have been reports at one point or the other throughout the Bow Valley, and they have all been well founded, which is an evidence of the optimistic spirit at present prevailing. There are still reports at Highgate, Nakama, and Langdon to come off, and then we shall be in luck. These reports have prompted intercourse between the various points throughout the valley, which is a very desirable thing. The Rockford baseball team, which has cleaned up on the last teams the province can produce, is a fine advertisement for the district.

Messrs P. L. Natsmih and A. S. Messrs, heads of the National Resources Department of the C.P.R. at Calgary, passed through Strathmore on Saturday on their tour of inspection of the Irrigation Block.

Mrs. Nassef, and daughters Sophia and Olga, from Decora, Iowa, spent a week end at the Lillithall home.

Don't forget, Nighttime Sports this afternoon, and Langdon Fair on Friday.

Rev. A. Bolter, of Mount Calgary Lutheran Church, Calgary has received a call to Deer Creek, near Milwaukee, Wis., and will leave for there some time in September. During his stay in Calgary Rev. Bolter has conducted services at intervals in Strathmore, and his departure will be much regretted by those who have benefited by his ministrations.

Thirteen local boys, under the leadership of Carl Jones, are at present attending the cadet camp at Mosley, Alberta.

A number of the younger boys, from Strathmore, Rockyford, Cheadle, Nakama, etc., are at present at the Trail Rangers Camp at the Bow River, and having a fine time.

Tom Crawford returned on Sunday from Peace River, where he had been engaged in collecting for the C.P.R. Exhibit Department.

Mr. L. B. O. Loddell is at present doing his adjustment work near Wetaskiwin.

Miss Sanderson, New York, is at present on a visit to her uncle, Mr. M. Weiss, local barrister.

Mrs. E. E. Zerkle is at present having a visit from her sister, Miss Chas. Kelling is at present having a new cold shed built near the railway track.

It is easier to tell the time in Strathmore now. The C.P.R. whistle blows at 7, 12, and 6 o'clock.

Nakama T.P.A. are holding a picnic and sports day at the Shoolicide Ranch on Friday, August 10. It is expected that President Ward of the U.P.A. and J. C. Buckley, M.L.A. for Gleichen, Mrs. McClung, M.L.A., Edmonton, and others will be present and speak. In the afternoon there will be sports for all, with a ball game at 4 p.m., a dance being held in the evening in the Oddfellows hall.

A Nighttime man was fired at the J. P. Court here on Saturday for using bad language to the C.P.R. agent at that point.

Mr. and Mrs. W. Jones, of Lowell, Mass., are spending a brief holiday with Mrs. Jones' brother, P. M. Kington. This is their first trip west of Montreal, and they are very enthusiastic over the west.

"May I take this opportunity of congratulating you and the members of your committee on the very excellent stampede held in your town last week, was an excellent exhibition and one that Strathmore residents should be proud of."

### ROMAN CATHOLIC CHURCH

1st Sunday of month, Mass at 8 o'clock.  
2nd Sunday of month, Mass at 11 a.m.  
3rd Sunday of month, Mass at 11 a.m.  
4th Sunday of month, Mass at 11 a.m.  
Rev. J. E. DUGGAN, Pastor.

### "NO WAR" PARADE WILL BE HELD IN TORONTO JULY 28

Demonstration Arranged After Prolonged and Stormy Discussion.  
TORONTO, July 21—After a prolonged and somewhat stormy discussion at a meeting here last night, it was decided to hold a "no more war and universal disarmament" parade on July 28. The meeting was called to order by the "no more war and universal disarmament" committee, and was attended by representatives from a large number of churches and organizations as well as by persons who have an interest in the "no more war" movement.

A short time ago the Women's League of Peace and Freedom received a communication from England asking that something should be done in this city in the way of "no more war" demonstration such as has been successfully held in England, and in every country in the continent of Europe.

## GRAIN PRICES

July 31st, 1923

The following grain prices are for grain by wagonload at Strathmore, not track prices, and for information of the public only. Figures are kindly supplied by Mr. T. H. Eves, of the Union Hotel Elevator.

Capt. R. A. Bartlett, veteran of five polar expeditions, the most famous of which was in company with Admiral Peary, has started to raise funds for a barefoot expedition to the Arctic sea to measure its flow and currents and dredge its bottom. He has just come out of Newfoundland, where he spent the worst winter in fifty-two years and hunting. Bartlett became the master of a sealer when he was 17, and now holds both English and Amer-

ican master's tickets. He was born in Newfoundland in 1875.

### HIGHWAYS BOARD

**TOUR PROVINCE**  
Members of the provincial highways commission will tour southern portions of the province the coming week to locate definite routes for certain main highways.

## Rockyford Locals

The Beaver's Camp of Rockyford Trail Rangers got away on Friday last to their camp on the Bow River, south of Nanaka. In fact, seven of them started off Thursday evening to hike the whole distance. They got as far as Mr. Garriolo's first evening. They were up at four in the morning, and were able to phone back from Nanaka between 8 and 9, Friday morning. They reached camp about 1 p.m. after hiking all the way, except for a couple of short lifts by auto overtaking them.

John Molinias, of Baintree, had the misfortune to have his building struck by lightning Saturday afternoon. All his buildings, except his house, were reported burnt.

## Brewery Cup Finals Tied Up By Rain

Old Jumper Plinius is no respecter of baseball games, even when they are for the first of the season. The Brewery Cup, and he has tied up the final game for the Cup by copious down-pours, over the weekend, and extending up to the time of writing.

The Friday game proved a decisive win for Rockyford, but on Saturday the Staveley boys nixed them out by one run, thus necessitating a play-off.

**Friday's Game**  
 The game on Friday was tight and exciting, up till the eighth. The first inning was scoreless. In the second Staveley registered one run, and Rockyford evened up. In the third Rockyford registered two, and held their lead up till the eighth inning, when Staveley came in to two runs. The Rockyford fans were getting a bit excited, with Staveley in the lead in the last stages of the game, but at the moment, they had no cause to worry, for the local boys slammed Slim Haynes, offering all over the lot in this inning, and the Staveley boys found them too hot to retrieve anywhere within the infield. "Lefty" Brown keeping up the fire from he had been showing throughout the game, landed out the Staveley batters in the 9th, and the game ended. The run that Staveley secured on Rockyford were mostly on errors.

**Score by Innings:**  
 Staveley 0 1 0 0 0 2—4  
 Rockyford 0 1 2 0 0 5—11  
 Staveley Wins Saturday's game.  
 With Slim Haynes again pitching, Staveley won the second game of the championship series, thus necessitating a play-off. The score was close, but five of Staveley's runs were secured on errors. Glenbach pitched seven innings for Rockyford, being relieved by "Lefty" Brown in the eighth. Rockyford had the lead all the way through, but lost in the eighth, when they let four Staveley men in. Walker started the batting for Staveley, ending with a home run.

The game was called in the eighth inning due to darkness.

**Score by Innings:**  
 Staveley 0 1 0 0 0 1—4  
 Rockyford 1 1 1 0 0 1—5  
 Both teams were the same as in the previous game, with the exception that Glenbach was in the box for seven innings. Staveley had only one earned run to Rockyford's five.

The Rockyford boys and their supporters are confident that when the final is played off they can beat their opponents. All that is wanted is a lightning up and elimination of errors.

Slim Haynes added a lot of pep to the game. He is an old hand, and he does not get rattled, and gives the fans a ready answer back when they start to josh him. He commenced Friday's session with a war dance on the diamond.

W. T. Cochran has been enjoying the ripe tomatoes from his own garden for the past week, and E. M. Wilson is also harvesting a supply of the succulent vegetable for his family. These tomatoes have been growing nicely in the open. Can other districts beat this?

M. D. Grasswood has been fortunate in escaping hail damage, either so far this year, and from all appearances the crop in this municipality will beat all previous records. The grain is growing somewhat rapidly, with the extremely hot weather of some days, but the rains of the weekend and subsequent weather will change danger from this source.

The Rockyford-Tudor road is in better shape now, the depression caused by the summer's rains having been filled up.

K. Lyons bought a new Ford car recently from P. W. Gibson.

Wm. Walker has left the employ of P. W. Gibson, who now has the services of Mr. Wilson, formerly of "Heister" Motors, Calgary, and the public can depend as courteous attention from him as well as good service.
